Acknowledgements

- I would like to thank my parents for enrolling me in this internship program.
- I would express my deepest thanks to all my Mentors and Mr. Ken who guided and motivated me to complete this project.
- I am using this opportunity to express my deepest gratitude and special thanks to Miss Mani Mehrotra who kept me on the right path and helped me to complete my project successfully.

About Me..

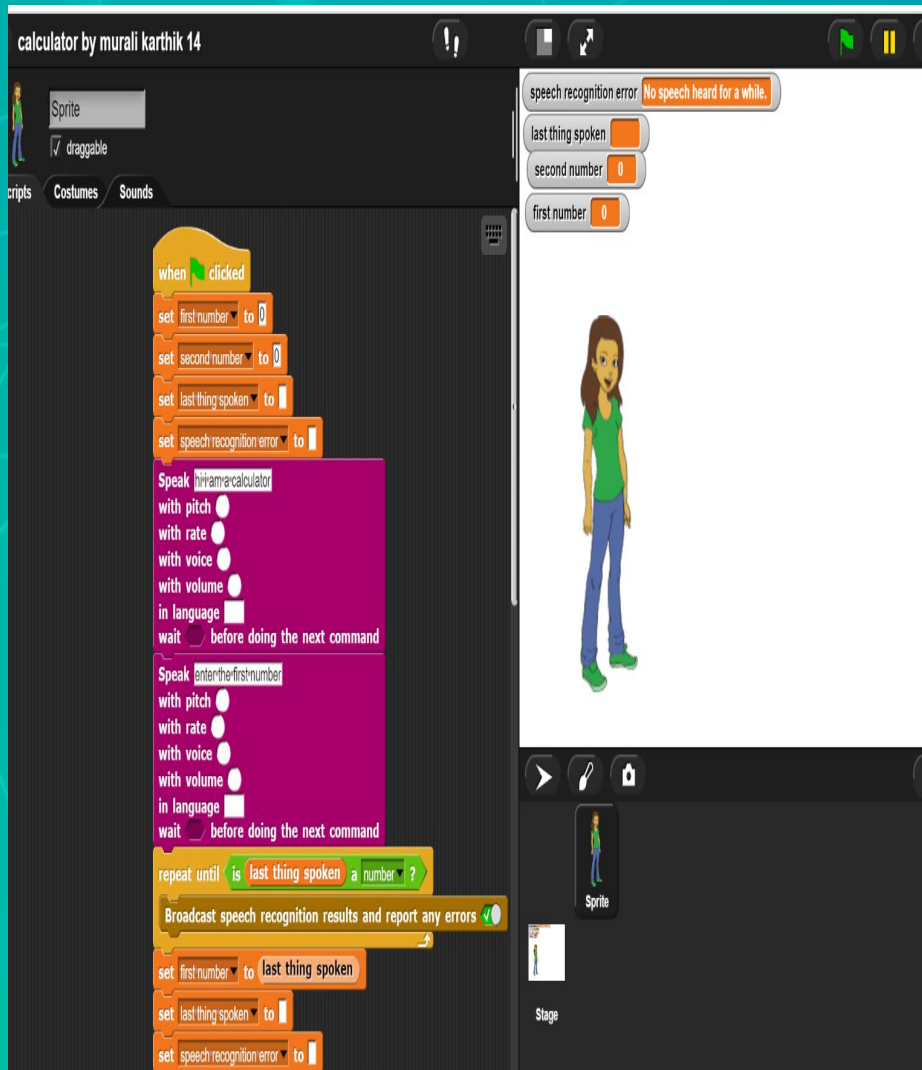

I'm Murali Karthik studying Grade10 and I'm 14 yrs old.
I am from Qatar
I am very interested in coding
.

About My Internship with Clevered..

- My experience has been great till now.
- This was a great chance for learning new things.
- I will strive to use gained skills and knowledge in the best possible way and will continue to work on their improvement.
- I have earned the rockstar badge and champion for team work .

About App..

I am doing an interactive calculator which will make maths easier to do

- We have to speak the numbers and it will recognize and solve whatever equation we give and give the answer
